Miscellaneous Fees and Charges	
One-time processing fee (Applies to all accounts)	\$15.00
Temporary / Construction Meter	1,500 refundable deposit (Refundable upon return of the meter in acceptable condition, less water registered through the meter.)
Backflow Device Testing	\$75.00 per device (Materials to repair are billed at cost.)
Wastewater Discharge Permit	\$50.00
Fire Flow Testing	\$250.00 or 7.5% of the value of the water utility improvements (whichever is greater)
Any damage caused by the fire flow testing is the responsibility of the Consumer. If, in the estimate of the District, the fire flow testing may cause damage, the District reserves the right to suspend the testing until the potential damage can be mitigated or the District reserves the right to require a deposit sufficient to cover the damage.	

Plan Check and Inspection Fees	
The current cost of the District's plan and review, inspection of construction and the control therefore, and for the testing of materials is established at the actual cost of professional consulting services and the hourly rate of required District staff.	

### Water Standby-by Assessment

Each year the District fixes a water standby or availability assessment on all undeveloped land within the District. The current assessment is \$15.00 per acre for undeveloped parcels over one acre or \$15.00 for each undeveloped parcel of less than one acre.

### Meter Testing

If meter testing is requested by the consumer, it shall be funded by the consumer at District cost, unless the test results indicate that, upon delivery of the report to the consumer, that the meter is malfunctioning or registering more than three percent (3%) fast. The cost of the meter testing varies by the size of the meter. The average cost for the District to test a meter ranges from three (3) to four (4) hours and will be billed at the labor rate contained within this Rates and Fee Schedule. If the meter is tested by a meter testing service, the current cost is approximated to be \$250.00. Labor rates shall be adjusted from time to time as directed by the Board.

### Labor Rates

Field Labor Class I (Bus. Hours)	\$46.00 per hour
Field Labor Class II (Bus. Hours)	\$56.00 per hour
Supervision (Bus. Hours)	\$66.00 per hour
